ALL TIME PROPHECY ended in the autumn (October 22) 1844 that commenced in 457 B.C., the common starting date of the 70-week prophecy of **Daniel 9:24-27**, and the 2300-day prophecy of **Daniel 8:14**, as the 70-weeks is the first part of the latter, the latter being the longest time prophecy in the Bible, which, in literal years, is 2,300 years. There are no more time prophecies after this. All who still attempt to come forward with prophetic interpretations that include precise times of their fulfillment after 1844 and onward up to, and including the time of Christ's second coming, belong to a special class of deceivers and deceived called **time-setters**.

On this precise date of 1844 the pre-advent or investigative judgment begun in the most holy place of the heavenly sanctuary at the end of which mankind's probation closes as Christ as High Priest casts down His censer, and the Holy Spirit is fully withdrawn from the earth. At that time the "four winds of strife are loosened" in the seven last plagues bringing on "the time of trouble such as never was since there was a nation on this world." Rev. _____; _____.

And yet the stupendous *closing* events of earth's history and the great controversy between Christ and Satan that yet remain to be fulfilled *after* 1844, which are no longer based on time, have a definite chronology of fulfillment. A knowledge of these chronology, as given in the Bible and Spirit of Prophecy, is one of the important safeguards against the last deceptions of Satan in the various forms of time-setting and Futuristic interpretations.

Starting in 1844.
